Performers must use natural talent, no voice over or performing music to recorded vocals.

No live accompaniment will be allowed, unless the accompaniment is performed by the contestant or contestants in a group as part of the performance.

Contestants are responsible for their own costume/clothing, make up, props and music. A contestant shall only use props that are an integral part of the performance (a baton for a baton twirling performance, a hat for a dance routine, etc.). Scenery props such as mannequins, tables, chairs, plants, walls, etc., must be approved. Staff & Judges reserve the right to make a final determination.

KCHW, as well as the talent competition committee and event staff/volunteers assume NO liability or responsibility for personal equipment and/or possessions. Please secure your belongings accordingly.

If you make it to the finals and are asked to perform live (without an audience) you must attend the Tech Rehearsal. NO exceptions.

NO vulgarity, profanity, nudity or inappropriateness of any kind. (G- rated - It's a family show.)

Contestants can compete in more than one category, but can not compete more than once in any given category.
